“ *Gene was always smiling and his great sense of humor was enjoyed by all who knew him. A very hard worker and gentle man who was patient with us as children, even when our "work" in the garden was quite slow and without much progress. :) He was so good to Grandma Nettie and endeavored to assure her happiness everyday. Gene's children were at the center of his world and an integral part of his daily life, providing comfort throughout his earthly days and everlasting love forever. He will be missed. God bless Gene.*
