“ *Looking thru all of my pics and most of the pics we found of my dad; between my nephews and myself, were him sitting in his chair with a dog or two and his most famous grin he always had. We all got such a kick out it thinking did he ever do any work or just sit. 😊. Daddy, I know you were a hard worker we all did you could never always sit down. I miss that!!!*

“ Yesterday May 8th 2016 was my 49th Birthday. I just learned that my Uncle Billy passed on my Birthday. What others may not know is that I was named after him my Legal name is Billy Dean although I have always gone by Richie. I have great memories of uncle Billy and aunt Pearl. I believe we shared a lot more than a name.
