EF

“ I am deeply saddened of the loss of my ex-father in-law the years I was married to his son Billy Wallace JR. Joe always treated me as a daughter and after his son went to be with the lord he still considered me as family. the loss of billy Joe is great and there is nothing I could say to ease the grief the family is dealing with today But I am truly happy for Joe he is finely reunited with is wife(Janet) and son. The angels in heaven are rejoicing because there is a new member in heaven. We will all see our loved one's one day and see Jesus face to face a glorious day in deed. My condolences to the family and my prayers are with you
