“ Billy Joe never failed to give me a big hug every time we ran into one another on the street. I still remember after I married Jack seeing Billy Joe in the parking lot at Big Lots Jack had went on to the car as I stopped to speak to this man in the parking lot and when he turned around to see what had happened to me I was giving this man a big hug and talking and then hugging again goodbye. Jack said to me I can't turn my back for one minute on you without you hugging on some man. lol great memories. RIP BILLY

“ When i was 8 months pregnant with little Billy, i would take a bath and Billy Joe would always come sit on the floor next to the tub. He would wash my hair for me and scrub my back. It was so sweet. God he could be so sweet.

I haven't seen Billy in over 20 years, but when you spend the first 15 years of your life with your neighborhood friends, there's a connection that cannot be explained. I been thinking about Billy and the Wilson family over the last several days. I can't list everything on here, but believe me when I say Billy, and the other Wilson crew made a big impact on my life. I understand that part of life is death, but this reasonable explanation hasn't made it to my heart yet. I'm so sadden over this tragedy, but I believe with 100% certainty that Billy is in a much better place than we are here on earth. RIP Billy Joe!

Billy as I knew him. One of the most intelligent man I met in a very long time. He was like the piedpiper. I will him and his great cooking :). Rest in peace my friend.
