“ *Dear Wanda, Dennis and Rick,
We're so sorry for your loss. We've known your family for years and where did the time go? We have lots of memories that go way back to the Maple Hill Church days, picnics, Ozark trips, dinners and fun times. He will surely be missed by all. He was a fun and gentle God loving man. We love you all. Dorothy and Dale Young*

“ *Dearest Wanda and Boys: So many wonderful memories of our families spending time together which are cherished in my heart. I remember Bob teaching my son David how to shoot a BB Gun at your house in Arkansas at Aunt Al's birthday party. Bob was always kind and loving. I will keep Bob and you in my thoughts and prayers.*
Love

These past three years after Robert returned from Bella Vista, I was able to re-aquaint with him. Having worked near each other at P&G but not until three years ago did we really meet. Where better to meet than on the tee or green, be it Tomahawk Golf course or Minor Park with Ding Dong. Remember now, Robert was acquainted with the hills of Bella Vista, and not along I-435 East bound at 7:30 in the morning on our way to Minor Park.
If I were to check my 'chicken' bar, I possibly could find his finger imprints still imbedded there. Get Robert eight blocks from his home there on Pflumm and Johnson Drive, he would only say when returning, now I really know where we are. Yes, we both needed this spring of 2015 to continue our relationship.
RIP Robert

Many of my fondest childhood memories include Bob, Wanda and the boys. Boo and I were staying at your house when we first learned of having a new baby brother! Taco dinners, spending the night and "Clark's" smile forever in my heart.
