“ *Dear Mamma,  
I love you so much. Thank you for all the fabulous summers I spent at your house. Thank you for the multiple trips to the store to get those special tennis shoes I wanted and letting me go that hot old golf course with Pappa. I wish I could have seen you more after I left for the Marines. I know those Marines guarding Heavens scenes saluted out of respect when you entered and went in to Pappa's arms. I'm just glad to know there will be no more sadness - no sorrow and there will be peace in the valley for you. I could write a novel about what you mean to me - just know though, I love you.*

“ *I have loved this lady since the day I met more than 35 years ago. I consider myself to be blessed beyond all measure to have been loved by her. She had a heart full of love for her God and her family. I have so many fond memories, but I think the best was being able to sing with her in March of this year. Of course, that was after she tried to take my necklace. We were able to sing Amazing Grace and then I was able to sing Jesus Loves Me to her as she fell asleep. She was such a strong and precious lady whom I will remember always with deep love and affection.*

“ To my loving Aunt Nanti,  
Nanti the memories I had with you growing up  
I will always treasure! You never missed the  
"tweeties" birthdays or our school events!  
Even if it was just for one line in a play "the  
prince is giving a ball" you were there to see it! You and Uncle Don  
were solid rocks and your faith never wavered! Thank you for those  
precious times and the love you have shown all of us through the  
years! We will see you again in glory and for that I am so thankful!

Love the "brown eyed" tweetybird,

Saundra

“ We grieve with you guys on Aunt Bobbies passing but rejoice in her  
memories. Particularly growing up in Valley. Remembering how they  
played pinocle, Mom and Aunt Bobbie smacking gum and Aunt  
Bobbie getting onto Uncle Don in the kindest of ways. And I won't  
forget them singing songs together either. It was fun times watching  
those four. Our prayers are with ya'll.

*“ I loved my Aunt Nantie very much. She was such a strong Christian lady, never once departed, not even a little bit from God. I loved hearing her golden voice sing some of the greatest songs that have been written. She was truly an inspiration to many, many people. If you just close your eyes for one second, can't you imagine as soon as she reached those pearly gates.....her hand raised in the air, that little shout we've heard over the years when she felt the spirit.....praising God and seeing his face. Oh.....and can't you just imagine Uncle Don waiting with hands raised....shouting as loud as he always could.....hugging her and welcoming her to their mansion??? I could go on and on as to how I envision her entering into a place that she knew she would go someday. I love you very much Aunt Nantie and you will be so deeply missed.*
