“ *My memory is 40 years in the making. Thank you for being my friend all these years. You have made me a better person and shown me more of who I want to be. Heaven has their angel, but someday we will back together again, giggling and having fun. Rest in Heaven*

RE

“ Oh my Brandalyn, words can not express how much I miss you my Friend! Work brought us together but our smart mouths and sarcastic attitudes made us fast friends! We had what I like to call a whirlwind of a friendship. We crammed so much living into a short period of time. From helping each other through losses of loved ones, to becoming Grandmother's together and of course some fun nights out! I will never forget that Brantastic smile and your love of life with that signature "I do what I want attitude". You lived life unapologetically and never let anything get the best of you. This world is definitely a brighter place because we were blessed with some Brantastic in our lives!!

To the family,

Thank you from the bottom of my heart for sharing Brandy with us!! Please find comfort in knowing Brandy loved life but loved you all most!! You didn't know Brandy without hearing a story about the family. You were her entire world!

You all are in my thoughts and prayers!
