“ *What can I say where do I begin. From the first day she walked into our lives the world was so much brighter. That was you Brandy sharing that beautiful smile and compassionate heart with everyone around you. My memories of you and my mija Angel will live on forever in my heart. You were best friends from kindergarten, all through high school and now as you walk on to another life and journey. My heart is broken and my soul is crying because I miss you so much. We will find a way to move on without you but it will not be easy. My love, thoughts and prayers are with Tony and your beautiful children. I know you missed you mama but now I know you are together and this is precious. Love Huggs Prayers and Smudge for a life taken too soon.*

“ We became fast friends after working together at Clark Middle School. We loved to compete with cooking..she was a great chef and I was the baker! Zucchini bread sound familiar, Tony? I am without words...she loved her family, all of you! She was a light gone too soon.
