“ *Brenda... Not just a cousin but a friend. You always had a smile and a hug for me. Beside my Aunt Francis, the only person who could call me by my nickname and I wasn't offended. I loved your sense of humor. I loved your strength of character... you always seemed true to what you believed! I can't help thinking that the last few years were challenging. You suffered a lot. I am thankful you're at peace. ❤️❤️ Praying for our family!*

“ *Sweet Grandma, She always had us girls laughing, Chandler, Candace and I. My favorite memory is when we went to Olive Garden in Overland Park, it was a girls day out. As we are sitting down , eat our biscuits they always provide she said “ all these clear people !” I looked at Candace and laughed. Who’s clear I said in my mind and then asked out loud. She said you know, these folks! We all laughed so hard on that day and enjoyed an amazing meal on a random day of the week. Her beautiful smile and Un forgetful laugh will always be cherished as a memory. Thank you to Candace for introducing me to your grandma. Sending my love, condolences and prayers to the Estell and Rideau family.*
