“ *Brenda, I am so shocked to hear of your passing and so saddened that I did not realize you were ill. You were a big part of our lives when we lived in Kansas City, for many in our family. A sweet, wonderful person with a pure honesty and kindness and a laugh I will never forget. I always admired your approach to life. You were a hardworking, independent woman and I always enjoyed our conversations and visiting with you many hours over the course of years of Dennis' life getting his hair cut, or me getting mine done. I'm so glad I got to come to your wedding and see you when you married Chris. I could tell you were so very happy and you still had that great sense of humor and zest for life. I'm so sorry I didn't know you were ill or I would have reached out and come to visit. Wishing you peace, love and light my friend...until we meet again. My deepest condolences to your family and Chris, and your many, many friends.*

*Prayers from the Chanay, Ayers and Hime families.*
