“ *I only briefly met Brenda through my co-worker, her daughter Charlene. A delightful woman, she told me what wonderful children she had. They had taken her to a restaurant for Sunday lunch. I understand they did this for her regularly. My sincere condolences to the family, Brenda and Charles raised a beautiful family. I hope you find comfort in knowing that they are now at peace together.*

To the family of Brenda Rankin: sorry for your loss. Brenda baby sat my children when they were young. It was such a pleasure for all of us to have her come into our home. Her gracious English hospitable ways were used in dealing with the children and I am sure her being there added to their development in a special way. She was our "Mary Poppins". Not only did she baby sit but she was very organized and somehow worked in keeping things neat while she was there. I know she baby sat in church nursery too. The children loved to have her there. Thank you.
