“ Bryan was not only my cousin but one of my best friends for over 30 years.

We worked together for a time at Emery Worldwide, we played racquetball and softball together.

We shared many nights at Funky Town and other bars together.

Bryan was a good dancer and enjoyed meeting new people.

We enjoyed watching or just talking about the Royals and the Chiefs. Bryan was very proud when the Royals won the World series and the Chiefs won the Superbowl. 2 things we never thought we would see when we where younger.

We went on many canoe trips and even had a crazy idea to canoe the Little Blue River, what a crazy ride that was.

Many nights we just hung out talking about how we could solve the worlds problems. He was great to talk to. While he might have had a different point of view he actually listened and sometimes you could change his mind or little or he made a great point that might change my mind a little.

He will be missed by many, but his memories will live on.

We shared many laughs and had many great adventures together.

Many affectionately referred to him as Bubba. He was big in stature but had a gentle heart.

Anytime you spent time with Bryan you where guaranteed a smile and a good laugh.

I think we can best celebrate Bryan by sharing a found memory of him.

I know he touched many lives in his on unique way.

He was one of a kind and one of the best story tellers I ever knew.

Bryan always had a good story that would usually bring you to tears from laughing so hard.

Let's celebrate his life together.

Love your Cousin Chris

“ So many memories, I wish in our time we had digital age to share some old photos. I see him laughing and having fun fishing with all us friends at Truman lake several years ago.. Yelling my name like Aunt Bee in Andy Griffin Show... Football, high school, his old truck stuck in the mud hanging out. Oh, Taco Bell, loved hanging out in high school. He was always a great guy and liked everyone, kind and loved his family. He is and always will be a great friend. Will be missed, prayers for the family. Sorry we could not be there.
