“ Cameron...so saddened by your passing. Recovery is not the path that God chose for you, but I DO know this: on Tuesday morning, you were welcomed into the Kingdom of heaven, greeted by Heavy, Jason, Matt, & Rick, amongst many others waiting at the gates!! I love you & you are already missed! I second EVERYTHING Stathas said, couldn't say it ANY better. Looking forward to the day we meet again! Love ya, love ya show! ❤️❤️

“ You was a good dude Cameron. I loved you like a brother. Can't believe this is real. It seems like a nightmare and I feel like your about to call or message me anytime now. Gonna miss the inside jokes that only we so morbidly know what the other is saying. Never gonna forget all the times you where there to offer help when no one could. Never to want or expect anything in return. A person is lucky to have 1 maybe 2 real ride or die true blue friends in their life. The rest are just acquaintances. Just know you was one of the absolute few. Rest in paradise my brother.
