“ I was privileged to come and pray with Carol and give communion to her from St. Joseph Church. Carol always was so warm and sweet and had a smile on her face. She was so grateful to receive communion and pray with me. I know that Jesus is welcoming her with welcome arms. I'm praying for her family. Rosemary Miller

“ She brightened my day at work. Enjoyed seeing her at the 20/20 dinners. And just a great lady.

“ I worked with Carol at UMB for about 7 years (when she retired). A group of us "kids" always thought of her as a mom. The bank has never been the same since she left and her legacy carries on in the few of us that were blessed with working with her and considering her family.
