

Carolyn S. Clement

September 19, 1941 - January 26, 2022

Carolyn Clement, 80, of Camdenton, Missouri peacefully passed away with family by her side on January 26, 2022. Carolyn was born on September 19, 1941 to Victor and Vickey Holmes in Kansas City, Kansas.

Carolyn graduated from Wyandotte High School in 1959 and married her husband of 61 years, Jerry D. Clement in 1960. She was a loving mother of two children, Beth Ann Clement and Jeffrey Scott Clement.

Carolyn worked as an attendance secretary at Turner High School, and account manager at Wyandotte Credit Union before retiring to her and Jerry's dream home on Lake of the Ozarks in 2004.

Carolyn enjoyed and cherished her road trips "in the van", with Jerry and their best friends and lake neighbors, David and Judy Clement. She loved reading and watching mysteries, history and trivia, and playing cards with her many friends throughout the years. She shared in many intimate one-on-one conversations, and made special memories with family and friends, talking late into the night on the porch. She always had time to listen.

Carolyn was a loving daughter, sister, wife, mother, grandmother, great grandmother, aunt, cousin, and friend. She loved her family, and they loved her. She was predeceased by her parents, Victor and Vickey Holmes, and her

husband, Jerry Clement. She is survived by her brother, Larry Holmes and his wife Kathy, daughter, Beth Clement, son, Jeff Clement and his wife, Carla, grandson, Joshua Clement, granddaughter, Brittany Rajda and her husband, James, grandson, Brett Clement, granddaughter, Michala Hooper, great granddaughter, Raegan Rajda, great grandson, Jackson Jerry Rajda, and by so many loved nieces, nephews and cousins.

“ *Beth, Jeff & Carla: it's been hard to imagine a world without Mr. & Mrs. C, but can't imagine one without the other either. I'm grateful they're together for eternity in heaven. They'll live forever in your hearts & in the hearts of all who were lucky to know them. They instilled the value of a close-knit, loving family in you by example, and always made me feel like 1 of their kids (the way you've always made me feel like a sister!). I feel blessed to have had them & to have you in my life & love the whole Clement family❤️.

“ We have so many fun memories of the Clements. We went on trips together, played cards, particularly when we were young and our children were all little, we played cards at each others homes. We couldn't afford baby sitters!
Our Taco nights were great. Carolyn made the best Tacos!. Such wonderful fun memories.
Thinking of all the Clements today and wishing we could be there to give hugs and love to each of you. The comforting news is, they are together now and no pain. I know you miss them terribly, my heart breaks for you. I told Julie, if this happens with me and your dad, just know how happy we would be. We have all had such wonderful marriages and together all these years, to go pretty close together would be special. ;Certainly not easy for the ones left behind, but know they are happy now.
May God bless and keep your family in his loving arms.

Love you all,
Betty & Dick Rodick

“ One thing about my sister that most people are not aware of is what a talented writer she was when the occasion called for it. She was on the newspaper staff in high school and was a regular contributor to it. There were two events in my life for which she pulled out all the stops and poured her heart into the writing. The first of those was a letter she wrote to the parents of my late wife, Maureen after her passing. Some months after the Cook's received the letter, they shared a copy of it with me. It was and still is one of the most moving and touching tributes I have ever experienced. Her second major written work was for a much more upbeat occasion, one of my birthdays. It may have been one of those major birthdays, like turning fifty, which I think it was. She presented me with my biography to that point in time. It took the form of numerous photos of myself and our family, that she had elaborated on and made associations with that brought tears to my eyes when I first read it just as it has each succeeding time that I've looked at it. The truth is that she was as talented as she was kind and loving. I'm missing you already, Sis.

“ *I am so sorry to hear of Carolyn's passing, also Jerry. They were very special. After they moved to the lake, we talked on the phone many times. We talked about meeting somewhere when we were down in the area to visit Kevin's mom. The last 2-3 years have been some lost time and I didn't take the time to call her.*

I worked with her for so many years--I remember a time when she, Joyce Action and I flew to Disneyland for a long weekend--such fun!!

She was so proud of her kids and grandkids.

You are all in my thoughts at this time.

“GOLDEN MEMORIES OF YESTERYEAR”

How does one describe the "Treasures of our Youth"-Mine are reflected in the MEMORIES of the Love and Laughter shared with Friends.

Carolyn and I became friends at Wyandotte High School. She was dating Jerry who was friends with my boyfriend Tom-both attended Argentine High.

We all jumped into the adventures of teenage life in the innocent 50's with eagerness in our hearts and little money in our pockets. We double dated through all the proms at Wyandotte, movies, coke dates at Peter's Drive-in, card parties at our homes (guys cheated/girls won)-prepared dinners for our "men" (it's a wonder they ever married us)--we were in each others weddings-the first new car we each bought, after we were married, was the same-a white Chev Corvair--we went on trips to Jerry's folk's place in the Ozarks and took fishing trips and vacations together-Beth Ann was the first of the babies born (it only took one time holding her)-I told Tom

"I want one"-so our family began.

WONDERFUL MEMORIES-shared with WONDERFUL FRIENDS-To Beth Ann, Jeff, Carla and all the Family--I wish I could wrap my arms around you and take the pain away of losing both parents within days of each other, but all I can

tell you is the Love she had for him and he for her ENDURES--it's YOU and your BLESSED FAMILY. CELEBRATE their Love and Life by LOVING each other-being KIND

and UNDERSTANDING-LIFE is so short--even though you live miles apart-ALWAYS

STAY CLOSE in Heart and Deed-LOVE/FAMILY/KINDNESS mold our very being-YOUR MOTHER WAS SO KIND and SO LOVING-she will ALWAYS BE A "TREASURE OF

OUR HEARTS" as will your whole Family.

In LOVING MEMORY

“ *Carolyn was a dear friend of mine as a neighbor and classmate all the way from kindergarten through 12th grade.*

She was beautiful, kind, intelligent, and artistic. I, along with all the other boys at Lowell Elementary, had a mad crush on her!

My condolences to her brother (and my dear friend) Larry, and the rest of her family.
