“ Chad, you will always have a special place in my heart. You were a spunky little guy, often keeping things hoping, but you also had a very endearing nature. I am so happy for all the time we had together, both when you were young and as an adult. You touched all of us; Bill, Gretchen, Amanda, and your little buddies Jacob & Rachel. We all have wonderful memories that we will never forget. We have also been so fortunate to see you occasionally as an adult. Every time any of us saw you, you touched us! You were so kind, gentlemanly and sincere, it meant so much. You felt like family and you always will. We were also inspired by all your EMT and firefighter accomplishments, and your many years of service. I guess our Lord needed another blessed angel. Please watch over your Mom, Brandie, Gary, and of course Dakota! Love from us always, Sweet Big Chad, Little Chadder Box... (Pamela & Bill Gray, and the rest of the gang!)

“ We didn't have the pleasure of knowing Chad as much as we would like to have known him. The few times we met him we were impressed with his good looks, his friendly smile and his gracious manner. We do know his wonderful mother and step father. Our hearts are breaking for their loss. We love you Gary & Jeanne and pray God gives you and Brandi comfort and healing at this tragic time.
