“ Chad we will miss you so very much. Even though we didn't get to see each other very often, I always felt you were a step brother to me and an Uncle to my girls. The loss of you have brought many tears to all of us. We thought we would have many years with you, and that has been taken from us. I will always remember your great smile and your love of all, even your love of snakes and all animals even the creepy crawlers. We love you RIP Chad

“ Its been probably 15 years since I saw Chad. But I remember him like it was yesterday. He was definitely a sweet soul, one not to be easily forgotten, that's for sure. We've kept in touch via Facebook the last few years, I was so surprised and happy to see his name show up on my friend request. His love of reptiles I think sticks out to everyone, and he's the reason my interest was ever sparked in them to begin with. I remember visiting him at the petshop on Barry rd where he absolutely loved working with and showing off the animals. And also him showing off his reptiles at his house near WOF. Chad is and always will be a wonderful memory and part of the best time ever in my life, being a teen in Kansas city. R.I.P. buddy, heaven is lucky to have you.

“ Chad's birth was one of the most exciting events I had ever experienced! He made me an aunt! When I think about Chad, his face always appears in my mind. Chad had a boyish smile that lit his entire face. I know he dealt with some difficult times, but in my mind, he'll always be wearing that huge, sweet smile. Please give Grandma Carlie a hug from me. I know she's hugging you right now. I love you, Chaddie Boo. You left this world too soon; but, you'll always live on in many people's hearts.

“ *Jenny, family and friends - It's difficult to find the words for the pain I feel for you. Please know that God will watch over your son. You are loved and needed; please take care of you and if you need anything, your family and friends are only a phone call away. I pray for peace and comfort to follow you in the days and months ahead. Betty Burch, Olathe, KS*

“ *Dear Jenny, You are truly a strong person as you have met every challenge in your life with the strength of ox. Your belief in God has gotten you thru all. Now the biggest challenge has come your way... every parent's nightmare. All I can say is that you were and will continue to be a wonderful mom. You were the foundation for your boys. You gave them so much love and direction. He is with you daily and safe. Chad is wrapping his arms around you and saying "Mom now I can truly take care of you now."*
