“ *Sheryl, Randy, and Scott:*

I have many great memories of time spent with you and your family (many!) years ago. We'd zip up and down Sheley on the mini bike, dance and sing to all the latest hits on the radio. Your mom was so darn kind and she always made us those little mini frozen pizzas. Why do I remember that!! I also remember the push button faucet you had in your kitchen. It's the only one I ever saw. My thoughts are with you. Take care.
