“ *Charley and I were best friends in the 50's and we were the same age. He was at Turner High and I was at Wyandotte High. We worked together at Milgram Grocery at 39th & Main. We were both over 6 ft tall and double dated and swam together at Lake Quivira. He was a very good basketball player at KCJC. I lost track of Charley after college as my company moved me to Dallas. I will always treasure our friendship as he was an important person in my life. I feel the loss with his family.
