We just had your funeral yesterday and it was beyond hard. I hope you were able to watch us from above to see how much you meant to all of us. You will be deeply missed but I'm so happy that you are at peace and out of pain.

“ My fondest memories of Leroy were when the family would get together many years ago and play baseball or pass the football and throw a Frisbee. I actually believe he taught me to throw my first frisbee along with his father, Uncle Elmer when I was about 5 or 6 years old. After my Dad passed away when I was 10 Leroy would come over and take me to football games and spend time with me teaching to play different sports and all the philosophy of the games . It meant a lot to me that he would take his time and share with me and teach about sports.Later in life he shared stories about my Dad when they were young and growing up in Oklahoma and all the ornery things they did together. His kindness and guidance will always be apart of my memories. Love you!
