“ Bill & Debbie are more than friends to us.... they're family! We've shared so much and have always known they'd be there for us if we needed them. On May 3, 1997 was one such day. I was operated on for ovarian cancer ~ when being wheeled to my hospital room from recovery Bill was the first person I saw waiting for me! Made me smile and lightened my load! God has certainly gotten a "super" angel! We'll miss him more than anyone will know! Love to Debbie and the family! Jim & Shirley Dorsey
