Mom I'm going to miss you so much. Now you have beautiful wing and can breath the fresh air with your new longs. I wish you did not have to leave us. You loved everyone and everything. You are and all will be my sunshine on a rainy day. You will be missed by all. Love you mom forever and always.

“ *Christine was a wonderful sister whom I loved so much. Anytime I came to Kansas City to visit the family I knew that I always had a place to stay. Christine never made me feel like I wasn't wanted I always felt at home there. She helped anyone she could all they had to do was ask. I know that she is in a better place now and she is happy and out of pain. She will be loved and missed forever in our hearts. Love you your sister Barbara*

“ I am truly sorry for the loss of your mom. She was a great sister and friend to my mom when she needed it most even though it was physically hard for her to do. It takes a special person to be there for someone else when you are suffering yourself. The world lost another good person to the angels. I hope you find comfort.
