

Chris King

May 15, 1962 - January 7, 2026

Christopher Neal King, 63, of Lenexa, Kansas, passed away on January 7, 2026, at Overland Park Regional Medical Center, surrounded by his loving family. He was born on May 15, 1962, in Kansas City, Kansas, the son of Karl and Martha King.

Chris had a deep love for the outdoors and could often be found riding his motorcycle, boating, or fishing. Some of his favorite memories were made during trips to the Lake of the Ozarks with family and friends. He was also an avid collector of toy cars, a passion that grew even more special after the birth of his grandson. Known as the king of sarcasm and wit, Chris had a quick sense of humor that kept those around him laughing. Above all else, he dearly loved his family and took great pride in being a husband, father, and grandfather.

He is survived by his wife, Ellen; daughter, Michelle and her husband, Daniel; two grandchildren, Rawley and Evie; siblings, Kathy, Vernon, and David; and stepmother Sharon and stepsister Debi.

“ Chris has been our friendly technician for about 13 years. He has a legend of fans because he made us all feel so very special. We loved recommending Chris because we were confident that he would treat them as well as he did us.

“ My sincerest condolences to the family. I met Chris in 1984 when I went to work at Steel Benders. I was 19 and Chris was 22. We had fun there, lol Lots of stories. We reunited a few years ago when Chris donated to a drive I was doing for Always and Furever (a sanctuary for old doggies) He had a big heart for everyone and everything. Heaven gained a really good guy.

“ We just found out and are trying to process. To his wife and family, we are so sorry. We were long time customers of Chris while he was with Anthony. We always talked about his upcoming retirement and how he was looking forward to it and spending time with his wife and family. Heartbreaking loss...

“ I didn't know Chris very well. Only from the times when I went to visit my Aunt Sharon and he would take us all out in his boat. He was a great person to be around during those times.

“ Chris has a special way of making you feel valued. His willingness to help others without expecting anything in return. I was a recipient of his kindness last summer. He got my AC running and would not take anything for his service. I know Ellen, Michelle and his entire family are the loves of his life! He will live on forever as a kind funny generous man. God Bless the Kings and the Dubin families. May you find comfort in all his great memories and deeds

I'm so sorry for your loss. I knew Chris as an Anthony customer. I always requested Chris and loved our quick visits. He was an honest, straight shooter and gave me tips on keeping things running. I last visited right before he had a vacation planned. Thankful to have known Chris. RIP
