“ *Jessica, I am so sorry to hear about your mother's passing. It is so hard to loose a parent. My dad left us 21 years ago. Tho I never met your mom, I know what a wonderful lady she was through seeing the kind of person you are and through your and Nichole's friendship for the past many years ! How much like her you look in this picture on the wall !! Our thoughts and prayers are with you and your family as you heal and begin to move forward in life. The two little girls your mom was blessed to know will take you along that journey with much energy and joy! Donna and Mike Raab*

“ Talking about her illness, is not the same as going through it. I will never know how much pain she was in, but she always had a smile for me. We were brought together by our children and shared memories and love. I am thankful
Chu Hwa is not in pain and no longer has to fight cancer. That God comfort the family and keep you in his arms.
