

Cindy Kay Davis

July 17, 1955 - February 18, 2017

Life passes too quickly, so always remember what really matters. Enjoy each new day and let those you love know you love them.

It all started back on July 17, 1955, in La Porte, Indiana. Cindy Kay Wendt, was born to Robert and Margaret Wendt. Cindy was the youngest of 4 sisters, and older sister to 2 brothers. During her childhood she was often referred to as “Cinderella” by her mother.

Cindy was always proud of her son, Isaiah and her daughter Tiffany. She was also a proud grandmother to 8 grandchildren and 5 great grandchildren.

She loved her entire family.

She was a lover of all animals and seemed to have a special way with them. Her little Boston Terriers, Lilly Ann, Maxie and Gina Lynn, are living proof of her love.

Cindy loved nature. She enjoyed soaking up the summer sunshine, building snowmen, making snow angels, walks through the woods hunting morels, searching for Arrow heads in Caliente, riding her horse across the Vegas desert, barbeques and parties outside with family and friends. She loved wearing her leathers and taking rides on a Harley. No matter how many birthdays came she always remained young at heart.

Cindy loved her dear friends. She always seemed to make friends everywhere she went. She was so giving and caring. She did not care where a person came from, their job or social status. She pretty much sized up another person as: if they have a good heart, love children and animals then they must be

alright!

Time with our loved ones on earth is never enough. You always are left wanting more. We were all given the gift of life, and one of the hardest things in life is seeing a loved one give that gift back. Cindy prepared us for this. She always reminded us that she would be with us every day through our loving memories of her.

When Cindy was asked how she wanted her life to be remembered, she said, I want to be remembered as a person who loved and was loved. A strong person who loved her family and friends. A woman that was kind, gentle and understanding. A proud mother and grandmother.

In lieu of flowers the family would appreciate donations be made to Upper Cumberland Veterinary Clinic, 4635 Hwy. 127 North, Crossville, TN 38555, Phone # 931-484-9059. The Veterinary is setting up an account for Cindy's dogs, Lily Ann, Max and GinyLynn.

“ Our prayers are with all Cindy's family she leaves behind. I feel for you loss and our thoughts and prayers will be with you in the up coming days. She's probably arrow head hunting in heaven with Grandpa. I could see it now. Love you all God Bless.

“ Ike & Tiff I'm so sorry I wasn't able to make it up to Kansas to hug you both 😭 but do know that I love you ❤️ and I will miss your mom! I will always cherish the times I got to spend with her, we both loved dogs and the last memory I have was the comfort she gave me when I was having a hard time losing my dog. I only wish I could comfort your families now with losing her, she loved you both so much!! Prayers & love - Ashley
