“ *Having lived across the street most of my life, and him knowing me since I was born, I learned many lessons and a few butt chewings (all deserved) from Clarence. He taught me how to ski at the lake, let me drive when I was 12 when my dad wouldn't. He will live on in many wonderful impressions he left on all who knew him and all of his life's accomplishments. I'm proud to have been friends with him and the whole family.*
