“ Dorothy, Bryan, Roger and families.

There are not enough words to tell you how much we loved and will miss Lee. Lee was always special to me and told me so many, many times that I was always welcome in his home. Traveling with Lee and Dorothy was a pleasure beyond words. Lee would haul David wherever the trail would take us. Lee, Dorothy, David and I would go off on wild goose chases and no matter the gasoline, time, and energy it took, was always so much fun. Dorothy would always have our lunches packed and cold water to take and off we would go. Such wonderful memories. I grieve for him but know David met him on the trail to the pearly gates. I bet they are off marking the trails in heaven.

Happy trails to you Lee. Love you Dorothy. Alice Clapsaddle and Jennifer Duncan
