“ Uncle Clifford was a great man that inspired us a kid's to always do the right thing and to be a upstanding citizen in your community and most of all be an outstanding CHRISTIAN in the crowd! He was loved by all the family here in Trumann Arkansas dearly. I remember the trips to Kansas City, Ks when we were kids to go to the family reunion's and see everybody, but the most fun was always's when uncle Clifford took the time out with us kids to take us to feed the geese at the lake! Uncle Clifford always had time for us kid's to make sure that we had a great time while we were there! I remember to this day all the wonderful christian music he introduced me to on his tapes he would bring in the van! I pray for the family to find peace and love in the memories we all share of uncle Clifford! All our love and prayers
