“ *Clint was one of a kind. I have soooooooo many great memories with him and Austin. Man its still unreal that this happened. I never in a million years thought I would hug his sister and mom and telling them sorry. He was a great man! He always hook me up when I was pregnant with my daughter who also is the child of his BEST friend Kodi. I can still hear him talking, always joking and smiling. Our last conversation was when I seen him in his van, he was soooooooo happy and excited about having a other princess. He would help anyone without hesitation. I remember being in school with him and Austin. It's terrible that this happened. Always my Clint Eastwood and Austin Powers!*
