I have so many memories of Colleen and Mike. The one that stands out today is the time Sandy and I decorated their house. We decorated it to congratulate them as they were bringing their newly adopted daughter home. What a blessing Randee was to them. Colleen had such a fun sense of humor. She will be missed. I have many fond memories with Mike and Colleen. One of those is the time Sandy and I decorated thier house inside and out. That was the day they brought their precious daughter home for the first time. Randee your mom was one of a kind. She always had such a witty sense of humor. I'm sorry for your loss but, I know without a doubt she is resting in the arms of Jesus. Prayers for you and Russell

*Colleen,
What a beautiful talented sincere person she was. She was truly genuine. I valued our friendship and I want to express my sincere sympathy to the family. She created many beautiful and delicious cakes throughout the years for my family. It had been a while since I saw her but every time we would see each other, She always greeted me with that beautiful smile that was truly meaningful and sincere. My thoughts and prayers are with you all.*
