“ I worked with Connie at Sprint for many years. Her office was down the hall from mine. We would spend time conversing over our children and various work situations. Connie was always such a optimistic person and had a laughter that would bring a smile to your face. She had a heart of gold and loved her children dearly. I notified her Sprint family in regards to her passing. May her children and husband find solace and comfort in the days to come. Rest in Heaven, Connie.

“ I met Connie at high school and I believe she was also on drill team with me. We had some classes together as well. I remember her as quiet but smart and very good at math. She was always so friendly and kind and I kept up with her through Facebook. I think we went out to lunch years after graduation too. I will miss her dearly. Prayers for her husband, Robert, family and friends. Rest In Peace sweet friend. 🙏🙏🙏
