“ *I remember the first time I met Connie. It was at an Easter picnic. She was standing near the grill and just called out . Who wants cheese on their burger. I said "I do " but she did not hear. I turned to Kevin and asked what's Meghan's grandma's name quick. He just laughed and said Grandma . So I called out " grandma I want cheese" she looked at me and over at Kevin and just smiled. I bet she heard the whole thing.*
