“ *My sincere condolences to the family of Connie Sue Price. Her daughter, Stacie Laney, has been a valued Assistant Nurse here at Northwest for as long as I have been here, taking care of not only our students but occasionally the staff, including myself. I would have loved her mom as she shared many of my passions...camping, hiking and my love for the earth and the outdoors. I pray your hope in the resurrection is also a belief as the Bible promises it.*
