

Conrado Mendez Jr.

November 9, 1965 - April 9, 2020

It is with extreme sadness, deep sorrow, and many regrets that we buried our eldest brother “Conrad”, age 54, last Wednesday, April 15, 2020. He finally lost his battle with addiction, which misguided his trusting judgment eventually leading to his passing. He was born and raised in Kansas City, studied at Pittsburg State and the University of Kansas, where he graduated with a degree in Advanced Spanish Literature. His incredibly social and outgoing personality helped him befriend everyone he ever met wherever he ventured. He was born on November 9, 1965 in Kansas City, Kansas to Conrado Mendez, Sr. and Aurora Muñoz Mendez who are now reunited with him in heaven. He is survived by his four siblings and their families: Ana Rosa Keith Mendez – her spouse, Timothy E. Keith, and their three sons, Timothy A., Samuel, and Luke; Alejandro Mendez, Sr. – his son and daughter, Alejandro Jr., and Marisa; Eduardo Mendez – his son and daughter, Venicio and Mia; and Daniel Mendez – his wife Sarah Hernandez, and their three children, Elijah, Daniel, Jr., and Sariah. In closing, we would like to thank everyone who has helped us honor him in death. It was clearly evident how much he was loved with the outpouring of everyone’s support and generous contributions for his funeral. He is buried with our parents at Maple Hill Cemetery. Our final step is to order his gravestone and make a donation to a local shelter in his name.

During these difficult times it has lifted our hearts, to know that the infectious smile that we had always embraced as a family, was also embraced by

everyone who had ever befriended him.

“ *Im so sorry! He was a wonderful man and friend with a generous heart. I met him several years ago at work. We were hired about the same time and became instant friends. Many times he invited me over and he would make dinner. We had many laughs. We use to hang out outside of work and we hit many garage sales. Our friendship ended when his relationship felt threatened. I've never forgotten him,he was such a dear friend to me. I've tried to find him before. Im saddened to have found this instead. I know he had problems and I'm sorry it took control of his life. Prayers for all of you and thank you for sharing*

“ *I am still in disbelief that he is gone. It doesn't see real. He was too young...too nice...to gentle...too humble... I am SAD...absolutely SAD that he is no longer with us.*
