Constance was my best friend. She was my mentor for nursing which is why I wanted to be a nurse. She was the kindest person & never had a bad word to say about anybody. She would give you her shirt off her back, sometimes she was too kind. I will miss her & our long talks & road trips. She loved going to IHop on our road trips. Dearest Connie, Angels in Heaven, please watch over her Mother, sons & brothers right now & Jesus please comfort & put your arms around them & surround them with you love right now. She will be deeply missed. Love you deeply Constance.

“ *She always had a smile on her face, and a Hello for you when you met somewhere, Connie and i were friends, but not like a lot of people, we never hung around one another but she was the type when you seen her you would always smile and glad to see her. I know i will always search for her and that smile of hers when out and about. Rest in Peace Connie you are in a better place now. We will miss you and i will pray for your family !*

“ *It is with great sadness and a heavy heart that we say goodbye to a wonderful caring woman. Where ever we ran into Connie she always had a big smile and took time to stop and visit for a moment. She is with God now, no longer ravished with pain and suffering that had plagued her for so many years. We want to extend our thoughts and prayers to Connie's entire family during this very difficult time. Gather strength from each other as you share memories and exchange stories in a celebration of her life, You will be comforted in knowing that she will be smiling and laughing with you as you remember and share these events.*

*Connie & I have been friends since 7th grade. We have always had the kind of friendship that no matter how long it's been since we last saw each other, it was like no time had passed at all. She never had a bad word for anyone, she loved everyone & would do whatever she could to help a friend. We last spoke a couple of weeks ago & made plans to go to our 40th class reunion together. We were both so excited to spend time together & with our classmates. A few years ago, my hubby & I went to KCKS to visit with her, my family & friends. We had nowhere to stay so Connie opened her house to us with no hesitation. She was the absolute sweetest person I've ever know. I will miss her so much. I was very blessed to have her in my life. It's good to know she is in no more pain. She is know walking, dancing & visiting with our Heavenly Father & having the time of her life. I am sad for me & all her friends & family, but I rejoice in the fact that she is in Heaven rejoicing with the angels & singing with the choir. I love you, Connie. Dennis & Michael, if there is anything I can do for you just let me know. Connie & I was so happy that our boys went to school together & were close friends. I hope their friendship lasts as long as ours did. She was very proud of her sons. Our kids were one of the topics that we always talked about often.*

“ Oh Sweet Connie, This is why we don't ever put off what it is we want to do. I really did want to come see you. The last time we talked I said I would be up to see you soon. I never made that trip and now my regret is breaking my heart. I have lived a long life and have never met anyone I could say never had a bitter word come from them except you. One of the sweetest people the world gave us and now has taken away :( May your next journey be one of the freedoms of illness and pain. Of all the people I've ever known this is the journey for the Angels. You are an Angel and will surely be missed by many loved ones and friends ~~~~~ Goodbye my Sweet and Dear Friend ~
