“ Dear Yogi & Family,
Again I extend miy heartfelt sympathy and prayerful support to all of you at this time of loss. I will always be grateful to Connie for opening her heart and home to me and sharing her family with me. You were "my 4th of July family" for so many years. I will miss her and such gatherings, yet am so glad I was able to be there in February for her last birthday celebration on earth. I trust that someday we will be with her again at the heavenly banquet in heaven.

“ Dear Aguilar family, I was sad to hear about Connie's death. She and Tony were some of my first patients at KU and they were always very special to me. Yogi, thanks for letting me know. I remember waiting for you, Steve, and Connie at the chicken place in Overland Park (you all were late due to a traffic accident) That night the restaurant burnt down and Yogi you all told me the authorities were looking for me as a suspicious person because I was at the place so long (waiting for you all.) We all had a good laugh about that. I will always remember Tony and Connie for the great people they were and i know they're dancing in heaven now.
