“ *Craig touched so many lives in so many ways. I have never known a more easy going guy - he was always willing to do anything to help family and friends with the same easy going attitude. I loved how he would always forward FB post of missing children and teenagers, knowing that parents and loved ones were hurting from missing their family. Craig was truly a giving man.*

Heaven has gained an easy going Angel of strength. We miss you buddy!

“ Dear Abby and family;
I didnt have much occasion to converse with Craig, but through Facebook and Ancestry i know how much energy he put into the family and hobbies he loved. He has left a wonderful legacy for his children and extended family by his diligent geneaology work. He often spoke of his family with great pride and fatherly (and husbandly) love. He shared his humor and humanity with friends and family. Truly one of the Good Guys who was taken way too soon. My love goes to all of you. Gayle (Cline)Essex
