

Craig Michael Garcia

July 18, 1971 - July 5, 2015

On July 5th, 2015 Craig Michael Garcia, 43, of Overland Park, KS, passed away after his hard and courageous battle with cancer. Craig was a gentle, fun loving, and dedicated man. His wife and four little girls were his world and he was an amazing husband and daddy to them. He was a hard worker and valued employee to everyone that he worked with. He brought great joy and attentive listening to all of his customers who quickly became friends. He was cared for by very compassionate and dedicated doctors and nurses who went above and beyond to try to keep him with us and showed him love in their care. He was surrounded by his loved ones when he went to be with the Lord. Craig is survived by his wife, Tabitha, and their four daughters, Alaina, Ava, Aoife and Alliyah, his father Mike Garcia and his wife Diann, his mother Nancy Doenges and her husband Henry, his sister Melissa Beasley, her husband Sean and their daughter Gabriella, his step-sister Katie Whetstone, her husband Travis and their children, Ashley, Alex, and Aiden, and his maternal grandmother Pat Hailstone and her husband Lester. He is also survived by his wife's mother, siblings and nieces and nephew. There is consolation that he is now at peace, but he will be greatly missed by so many. Services to celebrate his life will be held at Maple Hill Funeral Home. His visitation will be from 6:00-8:00pm Wednesday night July 8th and the funeral will be at 11:00am Thursday morning July 9th followed by graveside services. The family is having a reception immediately following the graveside conclusion at Hurricane Allies at 5541 Merriam Drive, Shawnee, KS 66202. In lieu of flowers

memorial donations may be made to his family.

“ *Craig, my big brother. What can I say that hasn't been said? This is the first time I have been able to bring myself to this page to read. Everything is so beautiful. They can't be talking about you? Lol! All I can say is I'm lost right now without you. I miss your advice every week. I miss being able to call and check up on you. Dang it Craig! I miss you so much! But I know you are in a better place and are no longer suffering. But I still get to miss you. I love you Craiger's!! Sleep well my sweet brother and we will reunite again in the future. Your loving and slightly annoying sister as a kid, Melissa (Missy to you,lol!)*

“ Craig, I will miss our deep conversation's we shared. I'm grateful for the time we were able to spend together through the years. After all you were the first baby I held. Uncle Bill and I use to take you to Shakey's Pizza Parlor and loved watching you smile on the little rides they had.

Then when it was time to plan our wedding you were the ring bearer. Craig, you were the first little kid he hung out with. Maybe you gave him the confidence to have his own children. I will miss your smile and laughter. I have to say you were an amazing father and very devoted to your family. I believe you gave it your best fight. I'm so happy you brought joy to so many people. I love you and will miss you 😭 love Aunt Vicki

“ My family and I send our condolences to *Craig's family*. *Craig was a childhood friend of my sister and I*. *So many memories... . There were several summers in a row that a day didn't pass without seeing him or Bryan Hyatt, and the rest of the crew. Craig was always a caring, sweet, intelligent, and kind friend. Deeply saddened to learn of his passing. Our prayers are with his loved ones. God speed, Craig. God speed.*

“ I am not exactly sure what to say. But my cousin, Craig, definitely touched many lives. In his passing, there will be a void that can never be filled. However, this void can be filled with the fond memories; he has given all of us. I still remember watching the premiere of MTV over at his house, and him introducing me to Genesis (the band). I also remember the many Christmases spent over at Grandma and Grandpa's house, and that unique laugh. Although you are gone, I would assume you became a part of the night sky, to look over all of us down here, and help us navigate through the dark times in our lives. I truly wish I could make it. But thanks to the digital age, it allows you to transfer my thoughts regardless of distance. Take care cousin, and we shall be with you again someday.

Christian Zwiengel - July 07, 2015 at 02:04 PM

Well said big brother! Wish you could make it. Love you.
