

Crystal Leigh Schuler

July 6, 1978 - November 19, 2022

Crystal Leigh Schuler, age 44 of Overland Park, KS died peacefully Saturday evening, November 19th with her family by her side at KU Medical Center. This was after a very short battle with stage 4 pancreatic cancer, diagnosed on August 29th of this year. She is preceded in death by her father, Jerry Owens, Sr. She leaves behind, her mother, Lois Owens, her daughter, Jourdann Schuler, her 3 sisters, Linda Turner (brother-in-law Ken Turner), Kathy Walker, Terri Owens, and her brother, Jerry Owens. She also had two nieces and five nephews, Zac Walker, Harrison Walker, Hayden Walker, Brandon McQuarters, Morgan McQuarters, Kara Owens, and Jaxson Owens.

Crystal was born July 6, 1978, the fourth daughter to Jerry and Lois Owens. She was a loving, loyal sister; the best you could ask for. A devoted daughter that would do anything for her parents. Her strength as a mom is just unmatched. No matter what she was going through she made sure her daughter was taken care of. I know she would say her daughter Jourdann was what she was most proud of in her life. Crystal lit up every room she walked into from the time she was little, and her laughter always quickly followed. She had such a huge heart and that defined her strength, her superpower. She always knew how to make you laugh even when you were feeling down. She loved music, loved to dance, and of course just being goofy. Crystal was also a very genuine, caring person that left a positive

mark on your life. Her giggle would make you giggle, it was infectious. You were lucky if you got to experience both sides of her, the silly, goofy side and the kind, supportive side. She was simply unforgettable.

“ I don't know where to begin. She was my friend and more like a lil sister. I met her at Silpada we use to get there early and sit in our cars and talk before we go in. I'm so thankful God brought her into my life she was like a ray of sunshine and always love for me to say and do crazy stuff so she can laugh. I'm still in disbelief that she no longer with us I know she one of God's angels. I miss you so much friend especially our talks. Love you always my forever friend 🙏🙏❤️

“ *Crystal was always a ray of sunshine! Her smile lit up the room and you couldn't help but be happy around her. I wasn't part of her "hang gang", but I was lucky to work with her at Silpada and was Blessed to call her a friend. Fly High sweet girl, you will be missed by all.
