“ *Unfortunately I only seen the little guy a handful of times but every time I did he always had a smile caked on his face. He was always in high spirits and very loving. He was a handsome young man and his parents were very proud of him. He will be dearly missed and never forgotten. May he rest in peace!*

“ *Waking up to hear Mika Mika up, Mika... to him everyone he knew as aunt was Mika. Picking him up putting him on my shoulders and stomping him around the house, his perfect little smile, those big beautiful brown eyes, he will be sorely missed and always loved. Our precious little angel, flies high watching over all of us.*
