“ *Dan was a wonderful man. We worked together for a few years when I was a Park Ranger. He was always there to show me the way and helped me early in my career. Thank you my friend. I will always remember your big jolly smile. Rest well now in the house of our Lord.*

“ *I worked many years with Danny at the old Santa Fe Railroad. He was a great friend and co-worker. I still have some great memories with him on and off the job, He was a true friend that you could always count on good times and bad. I will miss him greatly. I know his last few years of health were not good for him, but I'm glad his days of suffering are now over. Rest in peace my great friend and happy hunting and fishing forever!
