“ Danny is a great person and friend! He kindly and graciously installed a dishwasher for my family. He spent several hours doing so...he wouldn't take a cent. I'll be forever grateful! I also had the opportunity to take my guitar to his parents house many yrs ago, where he had his drum kit set up! We jammed for a couple of very loud hrs!!! Lol...I specifically learned a song just for that day. Rock & Roll is Dead by Lenny Kravitz!!! I sure will miss his friendship! 🥹
