“ So sad to hear about Danny's passing. We were close friends for over 40 years and Danny and Joe have always been like family to me. I will miss our long phone conversations and our dinners together. Danny and Joe were always around to help me when I needed anything. I went on several trips with Danny to pick up trucks and help him in the field. I worked as their receptionist for several years several different times and have many fond memories of my time at Truck Wholesale. Rest in peace my dear friend and I am sending healing prayers for his family..<3 Barbara Sue Sweetwood

“ Shell, Joe, Dana, and Mark,

We just wanted you to know how sorry we are to hear of your dad's passing.

One of the best memories I have with him is when "World's of Fun" first opened (a million years ago) and he took us all and paid for EVERYTHING!!! It was so fun and he even bought me one of those great big paper flowers and a gi-NORMOUS round rope-like, multicolored sucker! It was wonderful and something that has stuck with me all of my life since a young girl.

Another memory is when he came to Omaha to visit and he didn't have a trailer w/his truck, just the cab. He had picked up my dad to bring him home and they were such a sight bouncing up and down in that big ol' truck with no trailer on the back pulling in our driveway!

The last time I saw him was when he came to see my mom during her very long arduous hospital stay! He drove all the way down with Uncle Stevie and Debbie and then drove all the way back the same day (but not until paying for all of us to have dinner together). He loved family!

I am now 60 years old and to this day I'll never understand why people call him Sonny....

I know you made him proud and I was proud to call him my Uncle Danny.

-Proverbs 17:6

Children's children are the crown of old men; and the glory of children are their fathers.
