“ I am going to miss everything about my dad I am going to miss his home cooking and his Sunday lunches and watching those Chiefs on Sundays. My dad had this Sunday all planned out he was so excited it was the first Chiefs game of the season and he was going to cook his famous Swiss steak and Hailey really wanted dumplings she loved his home-made dumplings so he was going to make them especially for her he was an awesome cook and he loved his grandkids. I thought my dad would be around forever still can't believe you're gone I love you and miss you so much

I remember soup burgers I have only had them one time and that one time was made by him.
