“ *I didn't talk to Auntie Darla much And now I regret it. There isn't one day I don't think or cry over her. I've never met someone who showed more care for others than herself. Even if she was having a bad day she'd find a way to make someone else's great. I hate that she's gone but, now we have a guardian angel watching over us all. I love you so much Auntie Darla*

“ So sorry for the loss of our Darla a very special person in every way with a smile and we won't forget. I remember when Darla came to spend a week in the summer in Oklahoma. She was only 11 or 12 and the boys coming around to see our older daughters were paying too much attention to her. I said Darla Lynn did you tell them your age?? Well no she didn't she always looked older than she was and was too cute for her own good. Good memories. Thanks Alice and Cliff for letting her come and stay with us. Priceless memories.

“ Darla and her family have been our long time friends. So many memories, from hair dying (boy hair at that) to pushing broken go karts off the track... So many shared meals, being so tired late at night at the track and forgetting whose kids were whose and just parenting them all regardless, funny jokes (some times about our Hubby's but that stays between Darla and I) watching the kids grow up and mature and most of all just being great friends! Rick and Darla were always there for us at the track and off. I am so sorry for your loss Rick! I definitely understand what you are going thru and if you ever need to talk, I'm here! Each of hold your memories dear and know you were so blessed to have Darla in your lives. She lives on in each of you! Make her proud!! Our prayers are with you!

“ Unfortunately, my brother, sister, dad, husband, babies and many other loved ones lost this beautiful person. But with all of the love and support we have stuck together and will continue to stick together. My mom has always been my biggest supporter, my rock and my best friend. I love you mom. I know you will be our guardian angel! And I know you will always watch over us, especially your monkey babies. RIP SWEET ANGEL

“ *There are not words to express my sincere condolences to the Foulk and Terry family. I have known Darla since we were infants and have many fond memories of our youth. Her life was cut way too short and it just makes me realize, life is precious and can be gone in a second. Make the most of every moment. I am so sorry for your loss and send prayers to help ease your broken hearts.*

“ *When you move your family halfway across the country sometimes it can be a very difficult transition for everyone. Well for my family this transition was far easier because of the friendship we found in Darla and her family. Darla's freindship, kindness and big heart made all of us finally feel like KS was home... She was a great friend, mom, wife, softball fan, and truly one of the kindest people I know. Rest in Peace my friend.*
