*So sorry to hear about your dad guys, and just want to say, we had some good old memories growing up down the street from you all in that little house there in Applewood Valley. It was never a dull time around your parents, and that was meant in a good way. I'm still in Colorado and sorry I couldn't make it. God Bless you both.

“ *My husband and I have very fond memories of him at the barn. We would listen to his stories about the sale barns and the horses he would buy! Such good times. I'm so sorry to hear of his passing. Rest well my friend. Frank and Sissy Mahler*

“ *We're out in Surprise Dennis and Kevin but our thoughts and prayers are with you guys and your families. It's always been obvious your dad made much of the men you are today. Hard worker and hard player. Knew how to make work pay off and knew how to have a good time. May the Lord bless him and keep him. Vern Lynn and Mary Jane Mikesic*
