“ *Saw the notice today at Pilgrim Rd. plant, you will be deeply missed! Please know that my thoughts and prayers are with your family. Really enjoyed working with Dave even though at times the limits were pushed, he was always willing to go the extra mile and did so with a smile on his face. He was one of the bright spots that made the world a little bit better just because of his attitude and willingness to do whatever was asked.*

“ Your smiling face is going to missed. As I came to the KC plant this week for business; I still hear your common phrase "Come-on Man !" in my ears. You were a great friend, super leader, fabulous Dad, and the proud winner of our Fantasy Football league 2 years ago. You were so happy of the beating you put on us.

The fellow owners of your fantasy football league have donated \$100 in your name to the American Cancer Society, a cause that I knew you thought was really important to fight.

Your friend,

Pat

“ Dave your laugh is missed here at work. I will always remember the trip we took to eureka spring. And the royals game where everyone like our version of the national anthem. God called another angel home and you will be missed here. Carey and Dyanne

“ It's really hard to believe that one of the most nicest people that I had the pleasure to work with at one of the Milwaukee area H-D plants was taken from us too soon. You will always be remembered by your H-D family here in the Milwaukee, WI area, for your awesome personality and wonderful, warm smile. You will truly be missed by many, many people who's lives you have touched. My prayers go out to all your loved ones, especially to your little girl. You will never be forgotten David Czirr.
