“ *I met Joni in my tenth grade year at Turner High school. It wasn't long before I met the whole family. My first experience with David was precious. He sat next to me and touched my face and then my hair. He smiled that sweet smile the entire time. I knew him for over fifty years. We had a great time over the years. Rest easy now David, you are free to be perfect in every way. Hug mom, and Tim for me.*
