“ *When his family moved to California to be near David's older brother Burt, who was in the Navy @ the time. They lived next door & it was there his & my siblings fell in love & soon married. After David & his family returned to KC I lost contact with David, Burton & Betty. Then in Jan, 1976 both our fathers died, just days apart. When the Maxson's flew out for my father's funeral. While I never saw David again I have felt his absence. Now I feel his loss profoundly as I have always carried him in my heart. David you'll always be in my heart & you'll always be that special little brother. Rest in God's peace.*

“ My condolences go out to Dave's family and many friends. Dave was a good guy with a fun sense of humor. He was always willing to help out in any way he could and we shared many laughs along the way. He will truly be missed. I can't imagine Donnelly College without Dave.
