“ *Dave was the first friend I made when I came back to Olathe from Panama in the early seventies. Santa Fe Trail Jr. High, 9th grade. Remained friends through the seventies until I got married and had a son in the early eighties. Kind of lost track after that. Have some photos that I copied for anyone who may want them. I can be contacted through Charlie Brown. Stay in touch with old friends when you can. Never know when they will be gone.*

“ *Dave was one of my first boyfriends. We didn't last long but we had fun and because my sister married his best friend I continued to know him and we were friends. I love his wife Les and they were perfect for one another. Thank you for your friendship even though we rarely agreed! Oh Dave would sit and talk his way versus mine with a good heart and was never mean toward me. You will be missed Dave and God bless you Les!*
